DPE Digital Preservation Trainers

DigitalPreservationEurope, building on the earlier successful work of ERPANET, facilitates pooling of the complementary expertise that exists across the academic research, cultural, public administration and industry sectors in Europe. DigitalPreservationEurope (DPE) fosters collaboration and synergies between many existing national initiatives across the European Research Area. DPE addresses the need to improve coordination, cooperation and consistency in current activities to secure effective preservation of digital materials.

Core Partners: HATII at the University of Glasgow (Co-ordinator), Technische Universität Wien, Statsbiblioteket, Nationaal Archief van Nederland, Národní knihovna Ceske republiky, Ministero Per I Beni E Le Attività Culturali, Fondazione Rinascimento Digitale, Vilnius University Faculty of Communication, FernUniversität Hagen.

Name:	Prof. Dr. Uwe M. Borghoff
Email:	uwe.borghoff@unibw.de
URL:	http://www.unibw.de/uwe.borghoff
Organisation:	Universität der Bundeswehr München
Type of Organisation:	Academic institution
Country:	Germany
Languages:	English, German
Areas of Expertise:	- Information management - Computer-supported cooperative work - Long-term preservation of digital information

Uwe M. Borghoff holds Diploma and Doctoral degrees in Computer Science from the Technische Universität München, Munich, Germany. In 1993, he was awarded the postdoctoral university lecturing qualification (Habilitation) in Computer Science.

He worked at the Technische Universität München for seven years as research scientist before joining the Xerox Research Centre Europe (formerly Rank Xerox Research Centre) at the Grenoble Laboratory, France, in 1994. At Xerox, he was Senior Scientist, project leader, and group leader of the coordination technology area.

In 1998, he joined the Faculty of the Universität der Bundeswehr München, Munich, Germany, where he is a full professor of Computer Science at the Institute for Software Technology. Between 2002 and 2004 he was Dean of the faculty of Computer Science. Since 2004, he is Vice-President of the University.
