

DPE Digital Preservation Trainers

DigitalPreservationEurope, building on the earlier successful work of ERPANET, facilitates pooling of the complementary expertise that exists across the academic research, cultural, public administration and industry sectors in Europe.

DigitalPreservationEurope (DPE) fosters collaboration and synergies between many existing national initiatives across the European Research Area. DPE addresses the need to improve coordination, cooperation and consistency in current activities to secure effective preservation of digital materials.

Core Partners: HATII at the University of Glasgow (Co-ordinator), Technische Universität Wien, Statsbiblioteket, Nationaal Archief van Nederland, Národní knihovna Ceske republiky, Ministero Per I Beni E Le Attività Culturali, Fondazione Rinascimento Digitale, Vilnius University Faculty of Communication, FernUniversität Hagen.

Bohdana Stoklasová CV:

Bohdana Stoklasová is the Acting Director of Library Collections and Services at the National Library of the Czech Republic. She is responsible not only for everyday operation of the library, but also for coordination of different research activities, projects and programs connected with her area of responsibility, including the national Uniform Information Gateway portal and the Czech National Digital Library. She is deeply involved in activities connected with the new National Library building which will also host the National Digital Library services.

Bohdana Stoklasová chaired the IFLA Bibliography Section, she is a member of the IFLA Working group on Electronic National Bibliography. She was and still is involved in different European projects (TEL-ME-MOR, M-CAST, TEL, DPE). The list of her publications and presentations in many languages is very long and covers different topics connected with her activities.
